The actions of University Hospitals Coventry & Warwickshire NHS Trust (formerly the Walsgrave Hospitals NHS Trust)

PATIENTS SUFFER!

Under the chairmanship of Bryan Stoten
-THE HOSPITAL IS OVERSPENT
-HAS CLOSED DOWN PATIENT SERVICES
-SENIOR DOCTORS HAVE RESIGNED DUE TO CONCERNS OVER PATIENT CARE & CONDUCT OF MANAGERS

Dr Raj Mattu remains suspended!

PATIENTS DIED!

On 28th September 2005 Midlands Today highlighted that at least 11 patients had died with the overcrowding policy of cramming five patients into four bedded wards; hospital management had denied any patient harm or deaths.

Dr Raj Mattu spoke out about this in September 2001!

PATIENTS MONEY!

Coventry Evening Telegraph revealed Hospital is overspent by £7.8 million and shutting down ward B3, the cancer unit, cutting jobs and more!

Dr. Raj Mattu's suspension has wasted about £3 million over four years!

WHO IS ACCOUNTABLE FOR THIS MESS?

PATIENTS' DOCTOR

Dr. Raj Mattu's clinical competence is **not** being questioned so why are the **Hospital Managers** not allowing him to do his job?

PATIENTS WAIT!

Feb 2002 Hospital Managers suspended Dr. Raj Mattu after he had whistle blown about patient deaths from overcrowding. Managers did not hold inquiry into suspension until 2005.

Dr. Mattu still waits ten months later

HOW MANY LIVES COULD HAVE BEEN SAVED DURING THIS TIME?

WHO IS REALLY PAYING FOR THIS?

HOW YOU CAN HELP...

- WRITE TO YOUR MP ABOUT YOUR CONCERNS
- APPROACH THE HOSPITAL
- ASK HOW YOUR MONEY IS BEING SPENT
- QUESTION THE STANDARD OF CARE YOU RECEIVE
- DON'T PAY FOR THE MISTAKES OF YOUR HOSPITAL MANAGEMENT
